

1 GET ADMITTED

- Apply for general admission at hindscc.edu/apply. Please note: some *programs* may have additional applications.
 - Submit all admission documents by the Admission Document Deadline, which include, but may not be limited to:
 - First-Time Freshmen:**
 - Final, official high school transcript showing your graduation date. If you have a High School Equivalency (HSE) Diploma (such as the GED or HiSET), request an official HSE Diploma transcript at www.diplomasender.com.
 - Official ACT or SAT scores, or take the Accuplacer. See hindscc.edu/testing for Accuplacer details.
 - College Transfers:**
 - Official transcript from the most recent college attended. If you submit an in-progress transcript, you must submit another official transcript after all grades are posted.
 - If your most recent college transcript does not show a “D” or higher in both English and Math, then submit official ACT or SAT scores, take the Accuplacer, or submit an additional college transcript showing these grades.
 - Returning Students:**
 - If Hinds was the last college you attended as a high school graduate, you should not have to submit transcripts and test scores again, but you must not have prior Holds on your account.
 - Other:**
 - For Dual Credit, International, and Non-Diploma admission requirements, see hindscc.edu/admissions.
 - View your acceptance letter! After your application is approved, you’ll receive an acceptance letter sent to the email address provided on your application, which includes your Student ID and My.Hinds/Navigator log in instructions.
- Tip: only official documents are accepted. Learn how to submit official documents at hindscc.edu/transcripts.**

2 MY.HINDS + NAVIGATOR

Access your college resources through **My.Hinds**, which is your one-stop portal for essential tools like college email, student accounts, housing, and more. My.Hinds is also how you access your **Navigator** account which is where you manage your student information, track academic progress, view your class schedule, handle financial aid matters, and make payments.

- Go to my.hindscc.edu and log in using the instructions in your acceptance letter.
- Start using your My.Hinds portal regularly to get familiar with college resources and check your Hinds email. Note that your Hinds email will become the primary mode of communication once you’ve registered for classes.
- From the My.Hinds dashboard, click on **Navigator** to access your student information and take care of college business.

3 COMPLETE ONBOARDING

Onboarding prepares you for enrollment and allows you to establish residency. It is mandatory to complete before registering for classes!

- Log into My.Hinds and click on **Navigator**.
- Inside Navigator, click on your Inbox to start completing your Onboarding action items.

Tip: be sure to complete each step and refresh as you go!

 - State Aid at MSFinancialAid.org (for MS residents only)
 - Hinds Scholarships: view requirements and deadlines at hindscc.edu/scholarships

Tip: you must be fully admitted and enrolled in an approved program of study before financial aid can be applied.

5 REGISTER FOR CLASSES

First, note the difference between Early and Late Registration:

- Early Registration:** New students may register if they have an accepted application and “official placement” on file, which is official ACT or SAT scores, Hinds Accuplacer scores, *or* an official college transcript showing a “D” or higher in both English and Math. All other documents are due by the Admission Document Deadline.
- Late Registration:** Once Late Registration begins, no student will be permitted to register for any class unless they are fully admitted, meaning *all* admission documents have been received. In addition, a Late Enrollment Fee is incurred when registering for the first time during the *Add/Drop Period*.

REGISTER FOR CLASSES, CONTINUED...

- Next, new students and returning students who have sat out for one semester *must* speak with an Advisor to register. When registration opens, the student should initiate advisement and registration in one of these ways:
 1. Visit any Hinds campus during business hours.
 2. Request Remote Advisement at hindscc.edu/register. If you submit a remote advisement request, an Advisor will reach out to you several business days later via your *Hinds* email account. So, check it regularly!
- Current students (excluding dual enrolled students) can register for classes in Navigator. However, if you need advisement or help with your program of study, we invite you to visit with an Advisor!
- After being advised and your official program of study is declared, you'll be able to make your own schedule changes and monitor your academic progress in your Navigator account.

6 MAKE PAYMENT ARRANGEMENTS

- View your itemized bill in Navigator. Paper bills are not mailed.
- You must complete *one* of the following by the payment deadline:
 1. Have awarded financial aid (federal, state, MPACT, loans, veteran benefits, and/or scholarships) that covers all expenses. You are responsible for any fees not covered by financial aid.
 2. Set up an Automatic Payment Plan in your Navigator account.
 3. Pay your entire balance with cash, check, credit, or debit card.

7 APPLY FOR HOUSING

Residence Halls are located on our Raymond and Utica campuses.

- Log into My.Hinds and click on ResLife to complete a Housing application. Please note: you will be charged a non-refundable housing processing fee at the time you submit the application.
- Room Selection Process: new and returning students who have completed a housing contract and registered for classes for the upcoming semester will be able to select their rooms online during an allotted date and timeslot.
- Before moving into a residence hall, you must complete the following: 1) register for 15+ credit hours, and 2) pay your balance in full, have financial aid awards sufficient to cover your entire balance, *or* set up an automatic payment plan.

8 GET READY FOR CLASSES
